Thank you for your interest in Horsepower Inc. products. We welcome the opportunity to supply you with our high-quality fuel injection parts and accessories for dealer resale. We must receive the following information before this application will be processed. An incomplete application will be automatically rejected and returned.

Dealer Requirements are as follows:

- 1) The completed Application, signed and dated, legibly.
- 2) A photo copy of your business license and retail tax license, showing that you are in the motorcycle parts business.
- 3) A clear photo of your store front, sign, and interior of shop. Shop must be located on commercial property. Shops located on residential (home) property are not eligible for Horsepower Inc. dealership. *If these photos can be seen on your website, you do not have to submit them, just guide us to the site.* **DO NOT FAX PHOTOS!**
- 4) A company website or Facebook page, and a **business** email address.
- 5) All dealers are required to meet a minimum sales volume of \$2,500 per year to resume dealer status. All qualified dealers will be extended the opportunity to earn discounts on their purchases several times throughout the year. All dealer discounts/sales will be announced in e-mails and in some cases on our website and social media pages. All new dealers will need to provide a credit card to purchase first order.

Payment Policy:

Payment terms are C.O.D. guaranteed funds (cashier's check or money order). Company checks are not accepted until a working relationship has been established. Terms are available upon request. We accept all major credit cards, Visa, Mastercard, Discover, and AMEX as payment purchases. There will be a \$2 fee for every time a credit card doesn't go through on our end. It is your responsibility to update us with the correct information.

Refund Policy:

All sales are final when shipped. You may only cancel an order prior to shipment. Horsepower Inc. does not give cash refunds for any reason. Cancelled orders are subject to a 15% restock fee. Refused C.O.D. shipments are subject to a 15% restock fee. Authorization number is required on all returns for an account credit.
