| Dealer Requirements

4024 W 10th Street · Indianapolis, IN 46222
Ph (317) 757-8668 · Fax (317) 222-6360

Thank you for your interest in Horsepower Inc. products. We welcome the opportunity to supply you with our high-quality fuel injection parts and accessories for dealer resale. We must receive the following information before this application is processed. An incomplete application will be automatically rejected and returned.

Dealer Requirements are as follows:

1) The completed Application, MAP Policy, and Credit Card Form signed and dated, legibly. Scanned PDF's are the best quality, not a photo emailed.

2) A photocopy of your business license and retail tax license, showing that you are in the motorcycle parts business.

3) A clear photo of your store front, sign, and interior of shop. Shop must be located on commercial property. *If these photos can be seen on your website, you do not have to submit them, just guide us to the site**. * DO NOT FAX PHOTOS!**

4) A company website or Facebook page, and a **business** email address.

5) All dealers are required to meet a $2,500 buy-in per year to resume dealer status. If your first order doesn't meet the $2,500, your card will be billed, and the remaining credit will stay on the account. All new dealers will need to provide a credit card to purchase first order.

Payment Policy:
We accept all major credit cards, Visa, Mastercard, Discover, and AMEX as payment purchases. There will be a $2 fee for every time a credit card is declined on our end. It is your responsibility to update us with the correct information.

Refund Policy:
All sales are final when shipped. You may only cancel an order prior to shipment. Horsepower Inc. does not give cash refunds for any reason. Cancelled orders are subject to a 15% restock fee. Refused shipments are subject to a 15% restock fee. Authorization number is required on all returns for an account credit.
